SPECIAL

Crown of Madness.

As an action, charm a humanoid. If you use an action to maintain the charm, you may force it to attack any creature within its melee range on its turn before it moves. [120 ft. range, lasts 1 min. (WIS save: no effect – repeat each round)].

REACTIONS

ATTACKS (+6)

Eldritch Blast. ∞

Ranged (120 ft.), 1d10 force. Pull target up to 10 ft. towards you.

BONUS ACTIONS

ABILITIES (DC 14)

Careless Whisper. ∞

Dark whispers deeply affect a target, giving it disadvantage on its next attack roll. [60 ft. range, 1d4 psychic, lasts 1 round (WIS save: no dmg or effect)].

Disguise Self. ∞

Change your appearance to another medium-sized humanoid. The changes have no physicality. [Lasts 1 hr. (INT check: not fooled)].

Distant Whisper. ∞

Whisper a message to a target and receive a whispered response; only you and the target can hear this exchange. [120 ft. range].

Minor Illusion. ∞

Create a sound or a small image (up to 5 ft. in size). [30 ft. range, lasts 1 min. (INT check: not fooled)].

FEATURES

Actor. You can mimic the speech of another person or sounds made by other creatures.

Awakened Mind. You can telepathically speak to any creature you can see within 30 ft. of you without needing to share a language.

Pact Recovery. You regain your crown of madness uses after a short rest.
